YHS --- QJ to RJ Wired Headset Series

Ultra Lightweight Design --- All Day Wearing Comfort

Noise-Canceling Microphone --- Excellent Audio Experience

YHS36
(Leather ear cushion)

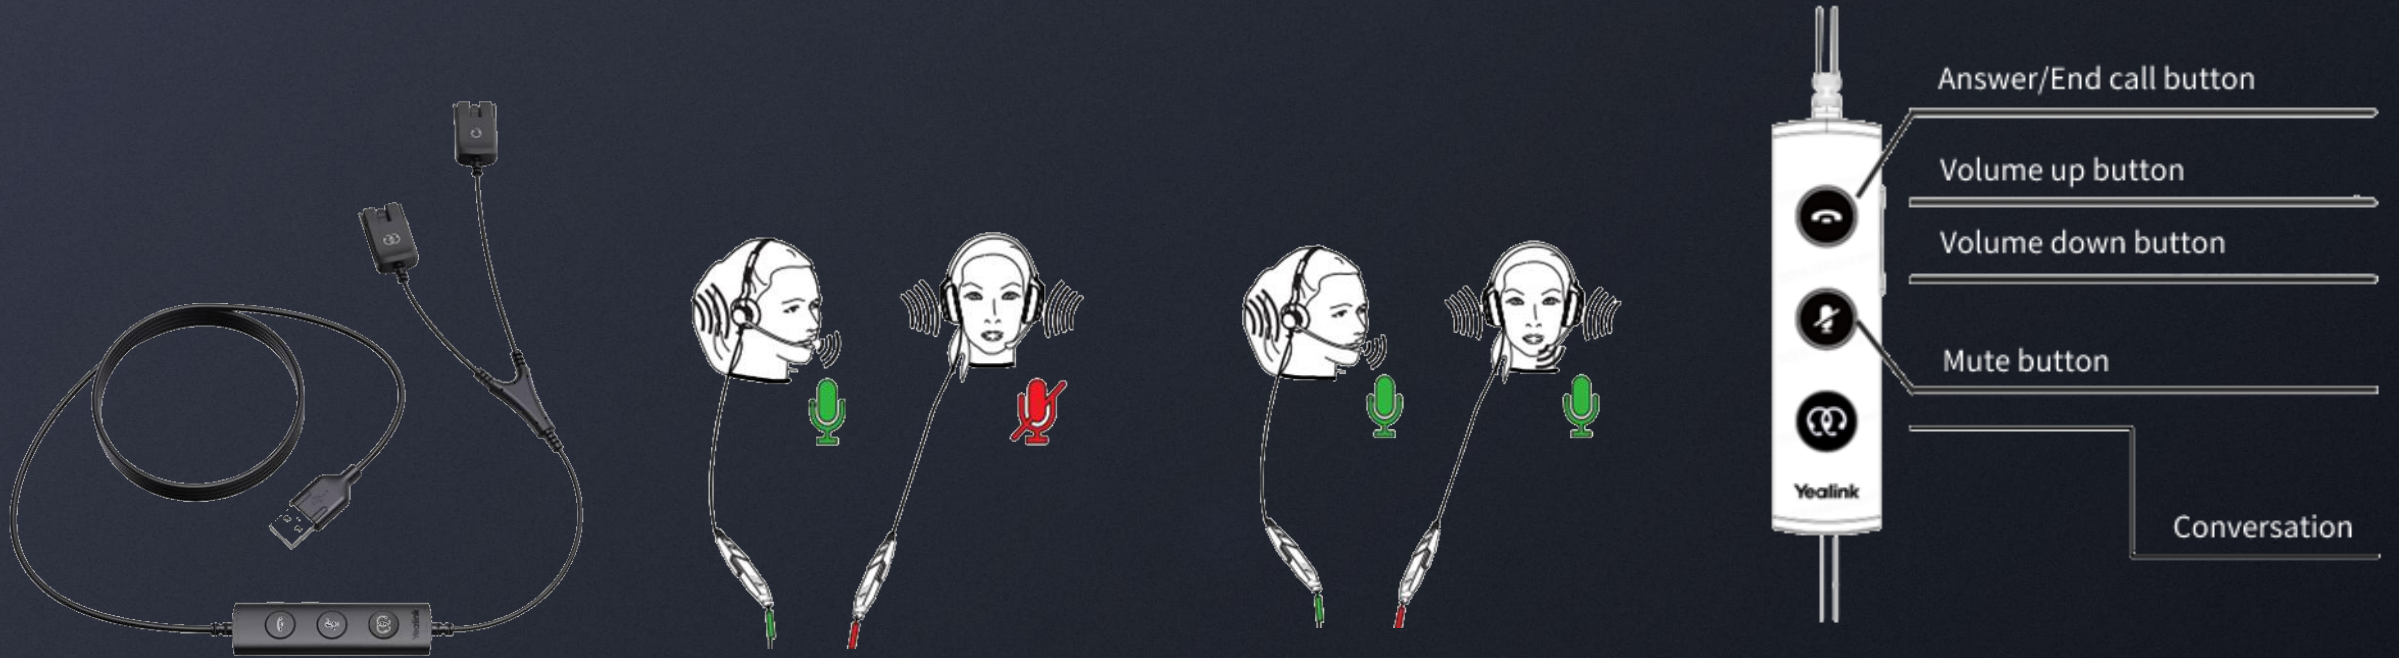

YHS34
(Leather ear cushion)

YHS34 Lite
(Foamy ear cushion)

The over-the-head wearing style, ultra-lightweight materials, and bio-mimetic protein-based leather ear cushions make your head and ears feel relaxed. Its ergonomic design enables the YHS36/YHS34/YHS34 Lite comfortable enough for long conference calls and all day use.

The noise-canceling microphone allows for the most reduction of outside noise, so the listeners can focus more on the desired sound at hand, the nearby talkers are protected with most call privacy as well..

Accessory: Y cable (USB/QD Trainer Cable)

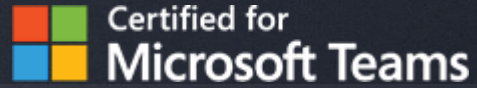

We can see the demand for a **Wired headset support training scenario**, so we developed a new product to support it. Two QD ports into one USB port, can connect with either PC or IP Phones.

Mute button: Control the 'student's' mic.

Conversation button: Control the 'teacher's' mic. Default to be muted. Long press for 2s, the Conversation button lights up, Teacher's mic open; Long press for 2s again, the Conversation button lights down, voice assistant 'OFF', teacher's mic muted.

A woman with dark curly hair and a man with dark hair are sitting at a table in a cafe, both wearing Yealink Bluetooth headsets. The woman is on the left, wearing a blue denim shirt, and the man is on the right, wearing a green turtleneck sweater. They are both smiling and looking at each other. The background is a blurred cafe interior with warm lighting and other patrons.
